

Integrated Math Changes

Major Changes

- All coursework, homework, quizzes, tests and activities are in CANVAS
- No notes required (homework becomes the notes)
- Homework must show all work and be hand-written
- All quizzes and tests are done in class
- All assignments have deadlines.
- All units have a close date.
- 20% penalty for late work.

Biology Changes

Major Changes

- Only 2 sections of notes required each
- All quizzes and tests are done in class
- All assignments have deadlines.
- All units have a close date.
- 20% penalty for late work.

Course Policies For Both Math and Biology

- The expectation is that students will have their work for each class done by the due date in Canvas or Odysseyware calendar. It is imperative that work is completed by the due date because class instruction may use the material from Canvas or Odysseyware lessons for in-class assignments, projects, and planned academic support time.

Course Policies Cont.

- Student will only receive full credit if the assignment is complete ON or BEFORE the assignment due date. The assignment due date is the day it is assigned on the unit calendar. Students are given an accommodation until Sunday to turn in work for full credit.
- Students will receive a zero on assignments that are not completed by the due date.
- Students will have one calendar week past the assigned unit test date to turn in all late work (if requested).
- The week extension needs to be requested in writing to the specific content teacher via remind or email by the TEST DATE.

Course Policies Cont.

- If an assignment is turned in late, the highest achievable score that can be received is 80% (if they would have scored 100%). Meaning all late assignments will be marked down 20%.
- Anything incomplete beyond the extension week will receive a zero and cannot be made up.
- All quizzes and tests must be taken during class time with Mr. Kaan. No exceptions!

Course Policies Cont.

- Test and quizzes can only be made up if the absence is excused within ONE DAY of the absence. They must be taken on the next scheduled anchor day during class or flex time. They still must be taken with Mr. Kaan.
- Classwork can only be made up if the absence is excused within ONE DAY of the absence.
- There are NO test or quiz retakes.
- No redos on projects.

Math Categories and weights

Category	Weight of the Overall Grade
Tests	60%
Homework/Classwork	15%
Performance Task	10%
Quizzes	10%
Discussion/Replies	5%
Total:	100%

Biology Categories and weights

Category	Weight of the Overall Grade
Odysseyware Grade	70%
Notes (2 per week)	15%
Labs/Projects/Classwork	10%
Discussion/Replies	5%
Total:	100%

Other Biology and Math Notes

- There are reading assignments and homework assignments DAILY.
- The GRADE in CANVAS is the most up-to-date and current overall grade.
- You can be an “Observer” in BOTH Odysseyware and Canvas in order to check your students grade. Please see Mrs. Shank or Mr. Hellickson for details.
